COMMEMORATIVE PICNIC TABLE AND BENCH PROGRAM

PLAQUES

Donor recognition will be in the form of an engraved plaque, which features a limited number of text lines. All plaques designed through the program will feature a consistent look, type and mounting. Plaque sizes may vary depending on the item ordered. All plaques and memorials being placed in any public space within the Sarasota County Parks, Recreation and Natural Resources system will be required to conform to the Commemorative Picnic Table and Bench Program guidelines. Any existing plaque or memorial cannot be taken as a precedent for future approvals.
