FACILITY USE GUIDELINES

1. AUTHORITY FOR FEES AND CHARGES

Section 90-35 of the Sarasota County Code of Ordinances (S.C.C.O.) provides for the creation of a general fee schedule, based upon competent substantial data developed by County Parks, Recreation and Natural Resources (PRNR), established by resolution of the Board of County Commissioners (BCC) and amended by the BCC from time to time. The Director of PRNR has the authority to establish fees for programs, participation fees, short-term events and discounts to expand marketing capability.

2. PARTNERSHIPS

Activity, Event or Program Partnerships: PRNR seeks to enter into partnerships that are mutually beneficial and that are approved in a fair and transparent manner. A partnership is considered to be a cooperative endeavor between two or more parties with a common goal, who combine complementary resources to establish a mutual direction or complete a mutually beneficial project, program or event that typically are open to the general public. The Director of PRNR may approve, modify or deny activity, event or program partnership requests based on the following criteria:

Does the activity, event or program:

- a. Align with Sarasota County PRNR Mission.
- b. To provide a premier parks system that enriches our community through participation, learning and stewardship. Contribute in one or more of the following ways:
 - Provides significant direct economic benefit to the community at large in a measurable way. Brings national, international visitors and/or competitors to our community (e.g., Pan American Games, Sports Tournaments).
 - Increases recognition of Sarasota County's attributes in a favorable manner on a Regional, State, National or International level (e.g., Travel Channel – Florida Places to Visit).
 - Supports or positively impacts unserved/underserved with essential services (e.g., AARP Tax Services, food bank distribution, T-REC Fun Days).
 - Promotes good will, pride, spirit and/or community health benefiting the community at large (e.g., Memorial Day Concert in the Park, 4th of July Celebration, Fireworks, Bloodmobile).
 - Benefits the County through the exchange of in-kind services as a result of the partnership. The benefit must meet or exceed the value of partnership approved.

Partnerships will not be extended to any organization or event that:

- a. Discriminates on the basis of race, sex, color, creed, sexual orientation, age, political or religious orientation, ethnicity, national origin, economic standing or disability, or any other legally protected status.
- b. Promotes environmental, work, or other practices that would violate U.S. or state law (i.e. - dumping of hazardous waste, exploitation of child labor, etc.).
- c. Conflicts with any current, proposed, or future work within Sarasota County by parties named within partnership.
- d. Results in perceived favoritism for any current, proposed, or future work by parties named on the application.

- e. Promotes an activity, program, or event for raising funds. Typically, an event for the primary purpose of raising funds through admission/participation fees or donations.

Parties interested in a partnership must complete a Sarasota County PRNR Request for Partnership Application a minimum of 90 days and up to one (1) year in advance of the program or event. Partnership requests will be evaluated based on the above-listed criteria. A waiting period or conditional partnership may be necessary due to budget limitations and/or resource availability.

All organizations seeking partnership renewal must submit an annual application. Failure to follow the established procedures may result in suspension and/or termination of the Partnership Agreement.

Sponsorship Partnerships: PRNR seeks donations, sponsorships with nonprofit organizations, individuals, foundations, private businesses and corporations and capital contributions to enhance our ability to deliver parks and recreation services and amenities. PRNR often receives offers of support from a variety of organizations, including private businesses and corporations that would like to provide financial support to PRNR in exchange for recognition.

PRNR seeks partnerships through sponsors as a standard practice for activities, events and programs. The Director of PRNR may approve, modify or deny Sponsorship Partnerships requests. PRNR will have a standard operating procedure which provides guidance in the administration of PRNR's sponsorship program.

3. VOLUNTEER RANGE SAFETY OFFICERS

Individuals trained and certified as Range Safety Officers (RSO), who are registered County volunteers and actively perform volunteer service hours at Knight Trail Park Pistol and Rifle Range (Range) are eligible to use the Range at no charge.
